Attn: Anthony Wright

Dear Anthony,

Thank you for your **Bronze Level Sponsorship** in support of the 2019 Dubuque March for Babies event at Hodge and Bergfeld Pond on Saturday, April 27th. The generosity from Midwest Storm Company and our community was truly inspiring. Your financial support helped March of Dimes raise nearly **\$133,000!** March of Dimes and March for Babies is successful because of the important work and support from volunteers and sponsors like *you*, who make events like ours unforgettable for families.

Your sponsorship support enables March of Dimes to lead the national effort to improve the health of every mom and baby. March of Dimes believes every baby deserves the **best possible start**. Unfortunately, not all babies get one. Funds raised at March for Babies directly impact our community through research, education, and advocacy programs in hopes of enhancing prenatal care and reducing the rate of preterm birth and infant loss. Thank you for investing in our mission so all families can experience the joys that come from a healthy full-term pregnancy and so all newborns and mothers can **receive the best care and the strongest start**.

For your financial contribution of \$1,000, 90% is tax-deductible to the extent allowed by law. The March of Dimes tax id is 13-1846366. Please reference this letter for tax purposes and contact me if additional receipts are needed.

Thank you again for making March for Babies a fantastic event for families, and for helping us celebrate all of the babies in our lives! We hope you will join us again next year on **Saturday, April 25, 2019** at Hodge and Bergfeld Pond, where we will, once again, **march for strong moms and healthy babies.**

With gratitude,
